

BananaToys.com® , Inc. Releases Summer 2008 Hot Toy List - Toys with Kid-A-Peel

BananaToys.com, known for its cool and hard-to-find toys, celebrates its 8th year anniversary by introducing its Summer 2008 Hot Toys List.

Glendora, CA (PRWeb) June 1, 2008 -- BananaToys.com, a popular online retailer of hard-to-find action figures and radio control toys, today announced its summer 2008 Hot Toy List of the top-selling figures and toys that will surely keep kids busy during their summer vacation.

BananaToys.com prides itself on carrying only the highest quality products from well-known action figure brands: Star Wars®, G.I. Joe®, Transformers®, Halo 3® to radio control toys: Tyco R/C® and Air Hogs®

Outlined below are the product descriptions for some of the hot items BananaToys.com recommends:

Transformers Animated TV Series Action Figures from Hasbro®

Transformers Animated is the 2008 Transformers series by Hasbro Inc, in partnership with Takara-Tomy, featuring an animated cartoon by Cartoon Network. Includes favorite characters such as Bumblebee and Optimus Prime.

Indiana Jones Movie Toys: Raiders of the Lost Ark™ 12 inch Action Figures from Hasbro®

Adventurer action figure based on the character from the thrilling action film comes with a 16-inch whip that makes realistic whip-cracking sounds and action! Action figure comes with shirt, pants, pair of boots, hat, belt, messenger bag, holster with removable pistol and 16-inch whip.

Batman: The Dark Knight™: TYCO® R/C BATMAN™ 1:16 BATMOBILE™ from Mattel®

This is a fully functioning R/C Batmobile™ that really puts you in control of the action. Navigate the streets of your own personal Gotham City™ in search of danger and excitement. This large scale R/C vehicle is rich in detail and powerful enough to overrun obstacles in its path. Bring the adventures of the Caped Crusader™ to life with the Batmobile™ as featured in the movie, The Dark Knight™.

Halo 3 Series 3 Action Figures™ from McFarlane Toys®

McFarlane Halo 3 Series 1 & 2 Master Chief is thought to be the last surviving Spartan soldier. He possesses a unique trait that has made him both a hero and symbol of hope in the eyes of humanity, and a "demon" in the minds of his enemies. He is a rare combination of skill and luck that has seen him through many battles, including the destruction of two HALO installations. He is the protagonist of the Halo series and is 5 inches tall.

Air Hogs Havoc Stinger™ from Spin Master®

The incredibly small Havoc Stingers are super cool flying insects with led eyes that light up in flight, are stable and easy to fly in the smallest indoor spaces. Using 4 way controls you will have precision flight and unbelievable maneuvering. The helicopter uses multiple channels up to 3 can fly in the same room.
