

## **BananaToys.com Releases Christmas 2007 Hot Toy List - Toys with Kid-A-Peel**

*BananaToys.com, known for its cool and hard-to-find toys, celebrates its 7th year anniversary by introducing its Christmas 2007 Hot Toys List of the top-selling toys with kid-a-peel.*

Glendora, CA ([PRWeb](#)) November 24, 2007 -- BananaToys.com, a popular online retailer of hard-to-find action figures and radio control toys, today announced its Christmas 2007 Hot List of the top-selling toys and collectibles that will surely keep kids busy on Christmas morning and beyond. The Hot List hopes to assist parents/grandparents in selecting the most fun, exciting, and adventurous toys for their "little ones" in the family.

BananaToys.com prides itself on carrying only the highest quality products from well-known brands such as Hasbro®, Mattel®, Star Wars®, Transformers®, Hannah Montana® among others. One of its major goals is to provide a family-focused, safe and enjoyable shopping experience with its easy-to-navigate website. While maintaining its products at competitive prices, BananaToys.com continuously strives to provide a fast, friendly and personal customer service nationwide.

Outlined below are the detailed product descriptions for some of the hot items BananaToys.com recommends for the Christmas of 2007:

### **Transformers the Movie: Ultimate Bumblebee™ by Hasbro®**

The Transformers Movie hero "comes to life" at the push of a button! This amazing and ultra-detailed robot figure features an animated head, wings and arms. His cannon automatically "aims" and fires a missile! Convert this awesome machine in to Camaro concept vehicle mode with battle and conversion sounds! Groove to nine different songs, featuring "Whip It" by Devo! You'll be ready for action with realistic revving engine sounds, screeching brakes and crashing noises - even a car alarm and horn! And with 17 cool phrases like, "Let's roll out!" and "Take that Decepticon!" he's the ultimate interactive action figure powered up, and ready to bring the fight to the Decepticon - or at least your bedroom!

### **Star Wars Transformers Darth Vader Death Star™ by Hasbro®**

Darth Vader battles the Rebel Alliance fleet with weapons, warriors, and the power of the Force! The Sith Lord strikes with his lightsaber and blaster, then uses secret morphing technology to change into the Death Star battle station and launch a devastating attack on the heroic Rebels!

### **Hannah Montana: "In Concert" Collection Singing Dolls™ by Disney®**

Hear Hannah sing her most popular chart-topping songs with this fun doll. Songs: "The Best of Both Worlds" & "The Other Side of Me". She wears an authentic outfit like the ones she wore on her 70-city sold out concert tour. Hanna doll comes with a microphone, a brush and a "Live in Love" bracelet or backstage pass.

### **Transformers The Movie: Movie Leader Optimus Prime™ by Hasbro®**

Get ready to rule the universe with this awesome Optimus Prime figure that features Advanced Automorph Technology. This Transformers technology is designed to enhance vehicle-to-robot conversion with partially animated mechanical triggers that activate the final shift to battle mode. Watch armor slide to protect vital points. Flip down the Ion Blaster in robot mode to launch a projectile and press a button in vehicle mode for electronic horn sounds and lights.

### **Air Hogs Havoc Heli Laser Battle Set™ by Spin Master®**

Battle helicopters with your friends and shoot them down from the sky with the high-energy Air Hogs Havoc Heli Laser Battling Set. Simply fly into position with these menacing, precision airborne vehicles, then fire from your controller and send your hapless opponent into a wild tailspin! Each helicopter features a revolutionary infrared laser targeting system that really lets you shoot your enemies out of the sky! Plus, they're equipped with authentic battle sounds, for a super realistic experience.
